The core of Alpine 4's acquisition strategy is its focus on existing smaller middle market operating companies with revenues of \$5 to \$50 million. In this target, rich environment, businesses generally sell at more reasonable multiples, present greater opportunities for operational and strategic improvements and have greater potential for growth.

ALPINE 4TM
TECHNOLOGIES Ltd.

Well Positioned For Strategic Growth in 2017

Alpine 4 is a publicly held enterprise with business related endeavors in Automotive Technologies, Electronics Manufacturing, Software / Data Technologies and Energy Services.

Four principles at the core of our business are: Synergy. Innovation. Drive. Excellence. Alpine 4 believes synergistic innovation drives excellence. By anchoring these words to their combined experience and capabilities, they are able to aggressively pursue opportunities within and across vertical markets. They deliver solutions that not only drive industry standards, but increase value for our shareholders.
