Dedicated to providing the healthiest, most natural, and delicious snacks available. The company is committed to health and nutrition, and use of the most effective natural techniques in delivering these products to the consumer.

Well Positioned For Strategic Growth in 2017

The company's projects offer an alternative for farmers in Colombia to grow crops like Inca Seeds (Sacha Inchi) instead of Coca Plants. The company's Inca Seeds (Roasted Sacha Inchi) are a complete protein with all 9-essential amino-acids rich in Omega 3, 6 & 9 and is a antioxidant, considered a super-food sold to private brands and use in its own brand Inca Snacks.
