Working Together for a Better Tomorrow

THC Therapeutics, Inc.

THC Therapeutics, inc. is a forward-thinking publicly traded company in the cannabis industry focusing on health and healing. The company is developing their patent-pending product the dHydronator®, a sanitizing herb dryer. The main function of the dHydronator is to greatly accelerate the drying time while sanitizing the cannabis. The dHydronator is proven to reduce the drying time from 10-14 days to less than 14 hours. The company is currently generating revenue from its brand of float spas. THC Therapeutics will be getting involved in testing facilities, cultivation of Cannabis and personal wellness centers. The Company is seeking partnerships, mergers and acquisitions in the cannabis, health and healing industries.
